

ANNOUNCEMENT District Cooling System and Power Plant Co., Ltd.

No. 028/2566

INVITATION FOR BID Long Term Service Agreement (LTSA) for DCAP's Gas Turbines

.....
District Cooling System and Power Plant Co., Ltd. (hereinafter referred to as "DCAP" or "Owner"), a joint venture of the PTT Public Co., Ltd. (PTT), Electricity Generating Authority of Thailand (EGAT) and Metropolitan Electricity Authority (MEA) has been awarded a contract by Airport of Thailand Public Co., Ltd. (AOT) to develop the Co-Generation Plant project to supply electricity, chilled water, and steam in Suvarnabhumi Airport.

Existing Long Term Service Agreement (LTSA) of DCAP's Gas Turbines almost expire approximately in the middle of 2024 when the last unit of DCAP's Gas Turbines have already completed Major Overhaul. Therefore, DCAP need to renew LTSA for seamless taking care of our gas turbines.

The purpose of this Invitation for Bid is to obtain proposals from qualified professional companies to provide the service under the requirement in the Scope of Work.

The Owner now invites your company (the "Bidder") to submit its Bid for this project.

Place of Service : The North of Suvarnabhumi Airport beside Thai Airway Catering Building, Samut Prakarn Province.

Eligibility of Bidders

Only proposals from bidders as a single company or as a Joint Venture or as a Consortium of firms who satisfy the following qualifications and certify their eligibility and qualifications by submitting evidence, detailed in the following order, will be accepted:

- Shall be the Level 4 Authorized Service Provider (Certified by GE)
- Has the existing facility to service DCAP Gas Turbine LM 6000 PD
- Has Local Level 2 Workshop in Thailand
